

La Christophienne

There are 5 routes, ranging from 5 to 23 km.
Whether you're an occasional walker or an experienced hiker, come and admire the charm of the Brionnais countryside. Thanks to our many volunteers, you'll be given the warmest of welcomes, with refreshments along the way and a complimentary Brionnais bouillon at the finish.
Don't forget to bring your cup.
Gourmet entertainment in aid of CAS: bread and black pudding cooked the old-fashioned way.
