

### **Saison culturelle - Le radeau cabaret**

Willkommen, Bienvenue, Welcome on "Le Radeau Cabaret"! Penny Blackwaters, a British diva, and Marcel, a French pianist, tour the world with their show revisiting American musicals (Chicago, Cabaret, Hair...) and French musicals (Les Demoiselles de Rochefort, Les Misérables...). But the show takes on a life of its own when their personal stories give it an unexpected twist... Beneath its entertainment finery, Le Radeau Cabaret is as erudite as it is popular, as committed as it is frivolous.
