

## Bed & Breakfast

### Estefana

Our cosy and comfortable bed and breakfast is located in the Brionnais: a quiet and spacious rural area on a gentle slope. We like to take the time to chat or join the table d'hôtes. Come and relax, taste and enjoy! We have 2 rooms, each with private facilities and each with its own small garden and terrace.

Both rooms are for 2 people, only in the Hirondelle room a single bed/baby cot can be added on request.

During July and August the minimum stay is 2 nights.
