

Marraycourt

Dutch by origin and Burgundian by adoption, both passionate about Art & Culture in all its forms, Marguerite & Raymond open the doors to you of an elegant castle steeped in history dating from 1787 (formerly the residence of a rich local family of "Marquis", raised to this rank by King Louis XIV), nestled in a quiet area at the edge of an alley, on a vast property comprising several original buildings (orangery, dovecote & caretaker's house), in the hollow of a residential area in the center of Marcigny. Nestled in the middle of the countryside and "skimmed" by the Loire, this charming medieval town of "postcard", steeped in the charm of yesteryear, has an exceptional heritage, offers many amenities all within walking distance (shops, services and leisure facilities) and enjoys a beautiful rural setting, a magnificent preserved setting of nature & greenery, combining beautiful wild forests, rivers & ponds with the sumptuous brionnais bocage. Very comfortable rooms with rare noble dimensions. Ultra spacious & bright. Very nice volumes. Warm "bourgeois & châtelain" cachet, opulent & refined. Cozy & cozy atmosphere. Lots of charm. Tasty "mix & match" combining modernity with the exotic "grandeur of the past" of the place (herringbone parquet floors, fireplace mantels, moldings, woodwork, molded doors... from the period). Pleasant intimate 2 ha lawned park with century-old trees (including a small wood) with several play areas for relaxation & rest, home to the 4 hens of the family! Composition: Wifi (fiber). Electric heating. Common living room on the ground floor. 2 bedrooms on the 1st floor, 1 of which is a family room comprising 2 separate adjoining rooms (double bed 160x210cm + 3 single beds 90x200cm including 2 bunk beds / double bed 180x210cm). Private bathrooms (shower/WC). Park in common (2 ha). Private parking. Garage (2 places). Local bikes. Electric charging station. Shops & restaurants on site.
