Boué Arnaud

At the crossroads of the Beaujolais and Côtes Roannaises regions, there is a small vineyard in the heart of the Brionnais region, a trace of a prestigious but disappeared winegrowing past. Here, a family of wine lovers has decided to revive part of this excellent vineyard.

Brigitte, Arnaud and Jordane Boué took up Patrick's torch to cultivate a small vineyard and ensure its vinification and maturation.

Today, Chardonnay and Pinot Noir have joined the historic Gamay.
